In following with the CDC Guidelines

- Drop off kids ready, changed and sun screen lathered!
- Separated Camper areas will have specific hooks for their belongings (backpacks, lunch’s and lifejacket)
- 4 to 5 Separate Covered Camper area locations for land drill and lunch.
- Camper groups will keep all week to ensure proper distancing and restrict mixing groups.
- We will NOT offer Fishing Camp this summer!
- Staff will be assigned specifically to clean and disinfect camper areas, all sailing, windsurfing and other gear used before and after use, ensuring proper sanitizing practices.
- All campers’ areas will be outside for safe ventilation.
- Large water jugs in each area and disposable paper cups
- Only necessary staff for safety, restricting from adding non essential volunteers to the weeks
- LUNCH WILL NOT BE PROVIDED; campers need to bring lunch from home! (Pizza party Friday – Domino Delivery)
